

Medium voltage instrument transformers

KPBIntra · Products · Medium voltage instrument transformers

Instrument voltage transformers

- Indoor use
- Outdoor use

Instrument current transformers

- Indoor use
- Outdoor use

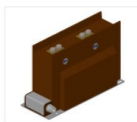

Current instrument supporting transformer CTS 12 S

Current instrument transformer supporting CTS 12 L

Current instrument supporting transformer CTS 12 SW

Current instrument supporting transformer CTS 12 LW

Current instrument supporting transformer CTS 12.09.L

Current instrument supporting transformer CTS 25

Current instrument supporting transformer CTS 25.1

Current instrument supporting transformer CTS 25 Sch

Current instrument supporting transformer CTS 25.SW

Current instrument supporting transformer CTS 25X

Current instrument supporting transformer CTS 25X Sch

Current instrument supporting transformer CTS 38

Current instrument supporting transformer CTS 38X

Current instrument supporting transformer CTS 38X Sch

Current instrument supporting transformer CTS 38.41W

Current instrument transformer of bushing design CTT 12

Current instrument bushing transformer CTT 25

Current instrument supporting transformer CTB 25

Current instrument supporting transformer CTO 15

Current instrument supporting transformer CTSO 38

Current instrument supporting transformer CTSO 38L

Voltage instrument supporting transformer VTS 12

Voltage instrument supporting transformer VTS 12P

Voltage instrument supporting transformer VTS 12P.Z1

Voltage instrument supporting transformer VTS 25

Voltage instrument supporting transformer VTS 25 Sch

Voltage instrument supporting transformer VTS 25P

Voltage instrument supporting transformer VTS 36

Voltage instrument supporting transformer VTS 36P

Voltage instrument supporting transformer VTS 38

Voltage instrument transformer VTS 38P

Voltage instrument supporting transformer VTD 12

Voltage instrument supporting transformer VTD 25

Voltage instrument supporting transformer VTD 25.01

Voltage instrument transformer VTO 15

Voltage instrument transformer VTO 38

Voltage instrument transformer VTO 38P

Voltage instrument transformer VPT 25

Voltage instrument transformer VPT 38
