design for your intelligent home

Our products are designed to keep things simple, intuitive and elegant, both in its form and in its function.

Reduced to its essence but always to improve the comfort of the modern home. They blend with your interior design and outdoor architecture thanks to their uniform design language.

Precision-machined with premium finishes and handmade with love in Belgium.

WELCOME HOME

Basalte Home, the future of the modern home

Imagine. At the slightest touch the room dims to the right scene, music starts playing, the temperature rises and the curtains close. Ready for a cosy evening. The integration of all these functions in an intelligent and user-friendly system is Basalte Home, the future of the modern home.

The minimalist look of our products and the use of high-quality materials and finishes result in a timeless design for the intelligent home.

your home, at the slightest touch

In your Basalte Home everything is exactly the way you want. From lighting, music and entertainment to climate and security, personalise your home down to the finest details and control it all with a gentle touch of your app, keypads and design remote.

LIGHTS & SHADES

set the scene

We believe lighting control should be simple, intuitive and easily accessible.

With Basalte Home, you create scenes to automate frequent actions for everyday situations like 'morning', 'relax' and 'dinner'.

A gentle touch on your design keypads or a single tap on the app is enough to set the scene: the lights dim and the shades go down. Ready to relax!

CLIMATE

set the ideal temperature

Control the heating, cooling and even lighting from your intelligent thermostat. Thanks to integrated sensors, our keypads automatically measure the temperature and ensure the ideal home climate any time of the day!

With our app and Lisa, Ellie, Lena and Deseo touch panels; you have a full overview of your home climate. With intuitive set point control and planners for when you're at home and away.

MUSIC

harmonises with your daily routines

Music shapes how we see the world. That is why we bring it to the heart of the most important place in life: home.

Your favourite playlists, radio stations and even old-school record player are only a tap away with our Basalte app and controls such as Miro, Ellie, ...

Easily set the mood with comfort scenes that include your favourite music, such as 'party' and 'dinner'.

OUR STORY

Basalte was founded in 2008 with a mission to unite high-quality design and intuitive smart home technology. A unique combination that remains a fundamental part of our DNA. We want to keep things simple and elegant, both in form and function. We are proud to say that our minimalistic product range won over 50 renowned design awards.

Our multifunctional design keypads, refined speakers and elegant iPad mounts can be found in the most luxurious projects all over the world. Pushing towards the limits of perfection, we strive to reshape the way people live by making everyday actions easier and bringing true comfort to your home.

All products are meticulously designed and handmade with love in Belgium.

solid as a rock

Beautiful and natural on the outside.
Solid, strong and multi-layered on the inside.

Like the rock from which Basalte takes its name, we are
determined to create timeless products of outstanding durability.

Reduced to its essence, what remains is pure elegance.

passion, dedication and true craftsmanship

We believe that the most exclusive materials and fabrics should be treated by craftspeople with a passion for their work.

All our products are designed down to the finest details and handcrafted in-house.
