basalte

design for your intelligent home

design for your intelligent home

Our products are designed to keep things simple, intuitive and elegant,
both in its form and in its function.

Reduced to its essence but always to improve the comfort of the modern home. They blend with your interior design and outdoor architecture thanks to their uniform design language.

Precision-machined with premium finishes and handmade with love in Belgium.

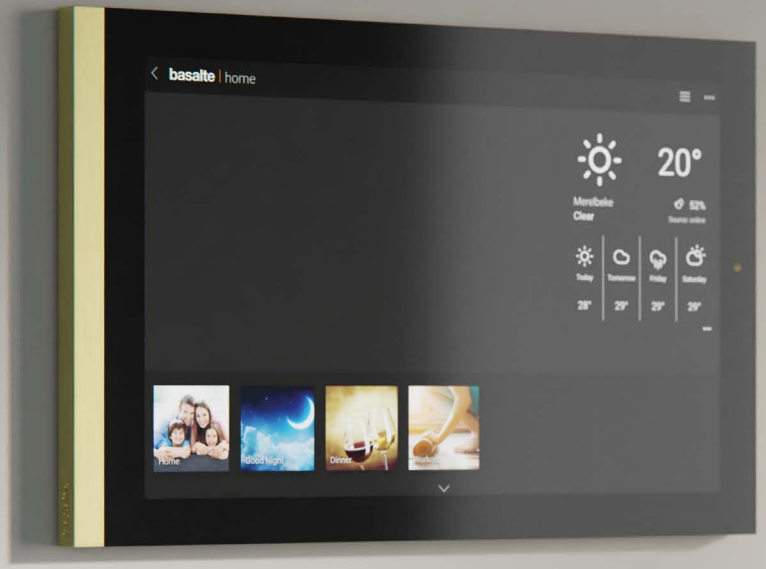
LENA

your flagship touch interface

After Lisa and Ellie, big sister Lena completes the range as flagship touch interface for Basalte Home. Her full HD 10.1" touchscreen gives you a clear overview of your intelligent home.

Easily control lights, shades, scenes, temperature and music in any room of your home. She comes in premium finishes to perfectly match any high-end interior and our other design products.



lena

lena
bronze

feel connected

This refined touch display also functions as an indoor station for your door phone. Seeing who's at your doorstep, answering your door phone and letting visitors in, never went more smoothly.

Lena also offers an intercom function to other Lisa, Ellie and Lena displays. You can even view your security cameras at a glance.

ellie
brushed brass

ELLIE

your smart home wonder

Ellie is the most refined touch panel for the intelligent home. Compact and minimalist, yet packed with a lot of power and convenience.

This smart home wonder is your go-to point to control your intelligent home: from lights, shades and scenes to HVAC, door phones and cameras. Enjoy music in every room and start your favourite playlist at the slightest touch.

exceptional beauty

Discrete yet catches your eye. Ellie is a true beauty! She is available in the same luxury finishes as your keypads, sockets and speakers to create visual consistency.

Sleek, thin, Ellie seems to be floating on the wall. Her refined look blends perfectly with our other products.

ellie
brushed nickel

you're in control

Approach Ellie and the screen automagically dims up: ready to control your Basalte Home.

Manage the most important functions in a simple way with our intuitive Basalte app. Convenience is key!

The 5.5" OLED display in full HD guides you right where you need to be.

lisa
brushed brass

LISA

compact, powerful, convenient

Meet Lisa: Ellie and Lena's little sister. Smaller in size but equally as powerful, intuitive and convenient.

Control lights, shades, music and scenes in one specific room. View security cameras, see who's at your doorstep and use the in-house intercom function to call other Lisa, Ellie and Lena panels in your home.

Lisa is small, refined and minimalistic, yet gives you access to everything you need. Perfect for bathrooms or smaller bedrooms.

join the family

Lisa is available in all our luxury finishes and has the same square form factor as our Sentido and Chopin keypads, Via light, sockets and outlet covers. Bring balance into your interior with a uniform design concept.

miro
brushed black

MIRO

the only remote you'll ever need

Miro is our design remote for Basalte Home. Easily turn on the tv, fill the room with music or dim the lights. Simply set the scene. With Miro, your Basalte Home is at your fingertips.

Miro is the perfect addition to our collection of premium keypads, touch panels and other controls. This luxurious remote comes in a timeless brushed black and is precision machined from a single piece of aluminium. Its refined looks match perfectly with any interior!

universal, intuitive and elegant

it's the only remote you'll ever need

back to table of content

all-in-one

Miro is so much more than a tv remote. Easily start your favourite music in any room. Control lights, shades, climate or simply set the scene. Rule it all with a single remote control!

There's no need to aim to hit the mark. Miro communicates with your Basalte Home using Basalte Beam: our low power wireless network.

Don't worry, Miro has the power to control all devices in your home and is flexible to take around wherever you go. Easy as that!

miro base
brushed nickel

Charge Miro wirelessly with the luxury Miro base, available in 6 premium finishes like brushed aluminium, brushed brass and bronze. Gently put Miro on its base and he will start charging automatically.

Miro is capable to charge very fast. Thanks to our low power wireless network, he will last for days. No need to stress, Miro is always there for you!

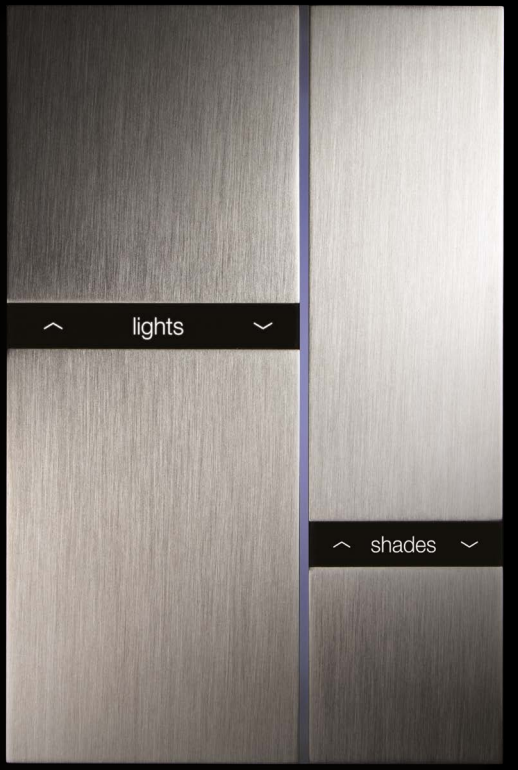
FIBONACCI

the new reference

Inspired by Fibonacci's golden ratio, our keypad brings natural beauty to the heart of your home. Its avant-garde looks elevate even the most sophisticated interiors.

The touch-sensitive surface allows effortless operation for an unprecedented user experience.

The icons and text labels can be customised to your every need.



fibonacci
brushed nickel

feel at home

When approaching Fibonacci, its backlit laser-engraved labels subtly light up to welcome you home.

fibonacci
brushed brass

fibonacci
brushed brass

your personal touch

Configure the multitouch function to control anything at home. Touch more than one surface at the same time and the room dims into the right scene: music starts playing, the temperature rises and the curtains close. Ready for a cosy evening.

An internal temperature sensor discretely reports the room temperature. The integrated thermostat function does the rest.

The multicolour LED in the middle can be programmed with any colour that pleases you. It is used for status feedback or simply for you to find Fibonacci in the dark.

easy and flexible

Easily change and customise
Fibonacci's labels to your own taste.

SENTIDO

the light switch reinvented

The entire surface of Sentido is touch-sensitive, creating an innovative and unique user experience. Lights, shades and scenes can be operated at the slightest touch. The unique multitouch function lets you easily dim the room into the right scene.

An internal temperature sensor discretely reports the room temperature. The integrated thermostat function does the rest.

Sentido's minimalist look and the use of high-quality materials result in a timeless design.

DESEO

an intelligent design thermostat

Deseo is a multifunctional design keypad to intuitively control your home climate, lights and even music at the slightest touch.

This beauty combines innovative touch sensitive technology with a 1,7" multicolour OLED display in an attractive and innovative design.

Deseo is available in two versions: as a pure thermostat or as a complete room controller.

FLUSH MOUNT

discrete

In some projects, the interior designer aims for a sleek, minimalist design. To attend these needs, we offer an optional flush mount kit to integrate some products* flush with the wall. The kit securely mounts the product and still allows easy access, insertion and removal.

*available for Sentido, Fibonacci, Deseo, Chopin, Via, Auro wall version, sockets and frames

flush mounted deseo
satin white

seamless

Combine functional control and aesthetic design to seamlessly integrate our products into any wall.

key features

Lena
for Basalte Home
- 256 x 165 x 12 mm
- 10.1" full HD touch display
- 802.3af PoE powered
- camera for intercom between rooms
- microphone for door phone communication
- install on 1-gang EU or US wall box

Miro
for Basalte Home
- 240 x 41 x 15 mm
- 2" super black touch display
- precision machined from a single piece of aluminium
- laser engraved aluminium buttons
- ergonomic feel and slim design
- wireless Qi charging

Ellie
for Basalte Home
- 155 x 80 x 9 mm
- 5.5" full HD OLED touch display
- 802.3af PoE powered
- camera for intercom between rooms
- microphone for door phone communication
- install on 1-gang EU or US wall box

Fibonacci
for KNX, Crestron, Lutron
- 120 x 80 x 9 mm
- capacitive (multi)touch
- single & long press actions
- backlit customisable labels
- RGB LED feedback & night light
- temperature sensor
- thermostat function (KNX only)
- scene sequencer
- scene controller (KNX only)
- install on 1-gang EU or US wall box

Lisa
for Basalte Home
- 80 x 80 x 10 mm
- 3.1" HD touch display
- 802.3af PoE powered
- intercom between rooms (no camera)
- microphone for door phone communication
- install on 1-gang EU wall box

for KNX, Crestron, Lutron
- 80 x 80 x 8 mm
- capacitive (multi)touch
- single & long press actions
- RGB LED feedback & night light
- temperature sensor
- thermostat function (KNX only)
- scene sequencer
- scene controller (KNX only)
- install on 1-gang EU wall box

Chopin

for KNX, Crestron & as dry contact

- 80 x 80 x 8 mm
- mechanical levers
- single & long press actions
- RGB LED feedback & night light (KNX & Crestron only)
- temperature sensor (KNX & Crestron only)
- thermostat function (KNX only)
- scene sequencer (KNX only)
- scene controller (KNX only)
- install on 1-gang EU wall box

Auro

for KNX, Crestron, Lutron

- sensor diameter in ceiling: 52 mm
- wall cover: 80 x 80 x 8 mm
- white LED feedback & night light
- temperature sensor (KNX & Crestron only)
- lux sensor
  (KNX & Crestron white versions only)
- lux dependent switching (KNX only)
- ventilation control (KNX only)

Deseo RTR

for KNX & Crestron

- 80 x 80 x 8 mm
- 1.7" OLED display
- capacitive (multi)touch
- temperature & humidity sensor
- thermostat function (KNX only)
- ventilation control (KNX only)
- requires additional power supply (KNX only)
- install on 1-gang EU wall box

Via

24V or 230V

- 80 x 80 x 8 mm
- 4000K or 2700K colour temperature LED
- dimmable with constant voltage PWM dimmer (24V version only)
- install on 1-gang EU wall box

Deseo

for KNX

- 80 x 80 x 8 mm
- 1.7" OLED display
- capacitive (multi)touch
- temperature sensor
- thermostat function
- shows lights, motors, scenes, temperature & music
- requires additional power supply (KNX only)
- install on 1-gang EU wall box

OUR STORY

Basalte was founded in 2008 with a mission to unite high-quality design and intuitive smart home technology. A unique combination that remains a fundamental part of our DNA. We want to keep things simple and elegant, both in form and function. We are proud to say that our minimalistic product range won over 50 renowned design awards.

Our multifunctional design keypads, refined speakers and elegant iPad mounts can be found in the most luxurious projects all over the world. Pushing towards the limits of perfection, we strive to reshape the way people live by making everyday actions easier and bringing true comfort to your home.

All products are meticulously designed and handmade with love in Belgium.

solid as a rock

Beautiful and natural on the outside.
Solid, strong and multi-layered on the inside.

Like the rock from which Basalte takes its name, we are determined to create timeless products of outstanding durability.

Reduced to its essence, what remains is pure elegance.
